# PARENT UPDATER SYSTEM (PUS)

Supervisor :
Puan Nor Haslinda binti Ismail
Group 16 :
Cheok Li Li
Muhammad Suhaili Faizzi Abdul Shukor
Nadia binti Naim
Nazrul Hafizi bin Nasarudin

## Why is it important?

With PUS, the tendency for misinformation to happen can be lower to a minimal. Validated and official information can be spread anytime effectively.
PUS enables parents to look up at school announcement without going to multiple of school site to validate announcement.

Parents can also keep track of their children academic result and discipline record in just a few swipes and taps.
## What is the current problem ?

Discipline Letter

Subject: Mathematics
15 %

Announcement Letter

Academic Result

Important Messages/Notices is not delivered to parents

## Project Objective:

1. To ensure the delivery of important messages to parents from a validate resources.

2. To alert parent with important messages in an easier way.

3. To allow parents to check their children's academic performance and discipline record.

## How it works ?

Parent Updater System (PUS)

Computer that access to PUS

School Admin from Primary School XXX

Announcement

Approved by
(XXX)

Announcement of School Admin and Publisher Admin which approved by a person, called Approver

Publisher Admin from educational bureau

Disciplinary Record — Good

Subject: Mathematics 100 %

Student Disciplinary Report and Academic Result

Parent Updater Application (PUA)
